(copper winding)

Industrial /Commercial Cooler

Model : Grand 125

-  Plastic Body
-  Cools upto 1000 sqft area
-  Honeycomb cooling pad*
-  125 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  300 W Input Power (copper winding)

Model : Grand 110L 22"

-  Plastic Body
-  Cools upto 1000 sqft area
-  Honeycomb cooling pad*
-  110 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  300 W Input Power (copper winding)

Double Ball Bearing

Industrial /Commercial Cooler

Model : Grand150 18"

-  Plastic Body
-  Cools upto 1000 sqft area
-  Honeycomb cooling pad*
-  150Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  300 W Input Power (copper winding)

Model : Grand 125V 20"

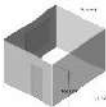

-  Plastic Body
-  Cools upto 1000 sqft area
-  Honeycomb cooling pad*
-  125 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  300 W Input Power (copper winding)

Industrial /Commercial Cooler

Model : Grand130L 18"

-  Plastic Body
-  Cools upto 1500 sqft area
-  Honeycomb cooling pad*
-  130 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  300 W Input Power (copper winding)

Model : Grand 160L 20"

-  Plastic Body
-  Cools upto 1500 sqft area
-  Honeycomb cooling pad*
-  160 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  300 W Input Power (copper winding)

Double Ball Bearing

Industrial /Commercial Cooler

Model : Grand 120L 18"

-  Plastic Body
-  Cools upto 1500 sqft area
-  Honeycomb cooling pad*
-  120 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  300 W Input Power (copper winding)

Model : TIVONE

-  Plastic Body
-  Cools upto 1500 sqft area
-  Honeycomb cooling pad*
-  100 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  750 W Input Power (copper winding)

Industrial /Commercial Cooler

Model : TIVONE130

-  Plastic Body
-  Cools upto 2000 sqft area
-  Honeycomb cooling pad*
-  130Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  1000 W Input Power (copper winding)

Double Ball Bearing

Model : TIVONE OHWT

-  Plastic Body
-  Cools upto 2500 sqft area
-  Honeycomb cooling pad*
-  Conect overhead water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  1100 W Input Power (copper winding)

MINI COMMERCIAL COOLER

Model : MINICOM 25L 12''

-  Plastic Body
-  Cools upto : 350 sqft area
-  Honeycomb cooling pad*
-  25 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  150 W Input Power (copper winding)

Double Ball Bearing

Model : MINICOM 30 12''

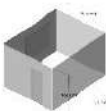

-  Plastic Body
-  Cools upto : 350 sqft area
-  Honeycomb cooling pad*
-  30 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  150 W Input Power (copper winding)

MINI COMMERCIAL COOLER

Model : MINICOM55L 12"

-  Plastic Body
-  Cools upto : 350 sqft area
-  Honeycomb cooling pad*
-  55 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  150 W Input Power (copper winding)

Double Ball Bearing

Model : MINICOM60L 12"

-  Plastic Body
-  Cools upto : 350 sqft area
-  Honeycomb cooling pad*
-  60 Ltr Water tank
-  Trolley for easy movement
-  Expected Life : 8 yrs
-  Water level indicator
-  150 W Input Power (copper winding)

The logo for Erikon features a stylized white arch above the word "Erikon" in a bold, white, sans-serif font. The arch is composed of two curved lines meeting at the top, resembling a roof or a protective shield.
